## January 2012 Newsletter

### Presentation night & Chrissy party

It is that time of year when a break is needed by all to recharge ones batteries, update, modify and generally prepare for next years assault. As well it gives our Officials ,recovery and helpers time to get to know their families again. We have a Calendar set for the year ahead, it is included with this Newsletter ,along with a 2012 Membership form. If your have not joined for the year ahead yet, fill it in & send it back to the membership secretary. Address on form at the bottom. Go on ,you can do it!

Santa in a far off place

We had the Presentation night at the Pitt Town Sporting Club, with 100 people turning up to cheer & congratulate the Trophy winners and also to see Santa. About 18 children were there for this, it just goes to show how much of a Family sport Off Roading is.

The night is the culmination of a whole year of racing, with the fastest and most consistent taking home trophies to help build bigger, taller stories in the future of how fast & quick I was back then (ain't history great) . It will all be recorded for posterity in the BIG book as well. Enough of this drivel, below we have all the Champions listed for you!

The first will be held at Paul Grants workshop,263 Spinks Rd Llandilo on the 14th January and the 2nd at A & K Automotive at the rear of the Mobil Service Station Kellyville on the 21st January. Don't forget , if your car does not have a Biennial inspection in its log book, you don't race . If you need yours done, book in so they have an idea who is coming on the day.

### **WORKING BEES** upcoming.

First one on Sunday 29 January and the 2nd on 19th February. These will be to finish off some of the projects we embarked on for state round and also to prepare Colo Park ready for **1st Club round 25/26th February.**

If you are able to give a hand on either of these days give Ian a bell on 040 777 4348, or indeed if you can help at our next race meeting, ring. It gives us an idea on what jobs and types of work can be planned for on the day. Also makes it a little easier to organize catering, so you don't have to worry about trying to find food & drink . We do it for you, all you have to do is rock on up & give your time. Lots to do!

The Howells in 305/6
